

Firmenkontaktmesse (Career Fair) on DIGITAL ways

- From October 28th to 29th, this year's company contact fair will move to a digital exhibition center. On the platform firmenkontaktmesse.expo-ip.com, around 50 well-known companies provide information about career entry opportunities and career opportunities. Just like at a real trade fair, you can meet information, videos and people at the digital exhibition stands and talk directly to HR managers. There is also an attractive program of lectures on interesting career topics.

Of course you will also find a lot of job offers at the fair. If that's not enough for you, the OVGU's career platform ovgu.jobteaser.com (https://ovgu.jobteaser.com/de/users/sign_in?back_to_after_login=%2F) has further options to find the right one for you from several hundred offers.

Meanwhile on October 27 + 28. the popular photo shooting for application photos took place on the OVGU campus in the university library.

A special highlight is the competition that takes place at the same time, in which every visitor to the firmenkontaktmesse.expo-ip.com (firmenkontaktmesse.expo-ip.com) trade fair platform automatically takes part, provided this has been specified when registering. There are e.g. win an Apple Macbook as the main prize as well as other Apple products and various vouchers.
